

Digital Dashboard: Yardstick

CUSTOM PANEL FOR SINGLE-SOURCE INTELLIGENCE

Each day, the crush of digital metrics options available to healthcare marketers multiplies. New sources. New bells and whistles. New intel.

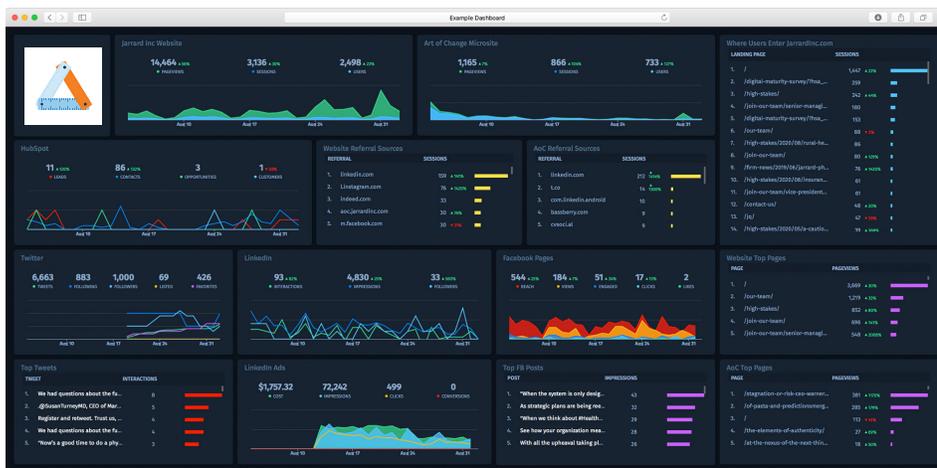

Yet coralling the info is a job unto itself. Searching for the right data in myriad locales devours precious time for analysts accustomed to instantaneous input. They need at-a-glance access to make smart recommendations on how to act and respond in this era of acceleration.

We can help.

Our team of experts distills your multi-source data and analytics into tailored dashboards so you can track insights and digital performance in the blink of an eye. After developing the proper architecture, we monitor your dashboard weekly and consult with you monthly on ways your unique aggregation can help you expedite your organization's business goals.

Dashboard Example

Yardstick is a simple yet impactful way to view business intelligence that is specific to your needs. Whether it is website analytics, paid campaign results, or reputation monitoring that is important, work with our team of coaches to craft a unique online experience for your organization.

Trusted strategic communications consulting devoted to healthcare providers.
